

Adoption Fee - Single

The adoption fee for a single rabbit is \$45. This fee is non-refundable because adoption fees paid to the Indiana House Rabbit Society help to cover costs involved in caring for a rabbit prior to his/her adoption. Each rabbit receives a veterinary exam, spay/neuter surgery, and is treated for any illness that occurs. In addition to daily care, foster rabbits benefit from socialization & litter box training during their stay with the Indiana House Rabbit Society.

The following is a conservative estimate of the average costs involved in preparing each rabbit for adoption.

Veterinary exam		\$30 - 45
 Neuter/Spay		\$100 - \$200
 Fostering expenses (min)		\$30
		<hr/>
Total expenses		\$160 - \$275

Your adoption fee is just \$45.

At adoption, you will also receive a complimentary IHRS membership (value \$12).
